Evolve Wellington Youth Service offers Learner Licence workshops to support young people in gaining their driver's licence. The workshops are open to anyone aged 15-24 years based in Wellington. They are free and cover all the content you will need to learn to pass your Theory Test and get on the road safely. The workshops are drop-in-based and are completely at your own pace. We will help you pay the test fee and to get the necessary I.D. (e.g. Birth Certificate) to sit the test. The workshops have been running since 2016 and have supported 100+ young people to get their Learner Licence.

If you are keen to get involved, please get in touch with us. You don't have to be registered with Evolve to join our groups. <https://www.evolveyouth.org.nz/learner-licence>

WHEN & WHERE:

Thursdays: 3.30 pm – 5.00 pm @ Evolve Youth Service.

These times and locations may vary during school holidays. Please contact us, or check out our social media, to stay up-to-date.

Girls in Infrastructure®

We're thrilled to announce that [registrations are now open](#) for the 2025 [Girls in Infrastructure®](#) Wellington event!

Event Details:

 Location: TBC

 Date: Thursday 19th June 2025

 Time: 10:00 am – 2:00 pm

Students will be able to explore the diverse career opportunities in the infrastructure sector, through hands-on experiences and expert guidance. Participants will be divided into four groups, each led by female industry professionals, rotating through a variety of interactive activities:

1. Industry Exhibitions – Meet leading infrastructure companies and education providers.
2. Heavy Machinery Showcase – Get up close with cranes, diggers, and more.
3. Site Visit #1 – *Details to be confirmed.*
4. Site Visit #2 – *Details to be confirmed.*

Important Information:

- This event is open to students aged 16 years and older.
- All attendees must wear fully closed shoes and long trousers. High-visibility vests will be provided on arrival.
- Lunch will be provided, thanks to the generous support of our industry sponsors.

These events offer an unparalleled opportunity for students to:

- ◆ Step onto live construction sites and experience real-world infrastructure projects
- ◆ Get up close with heavy machinery like diggers, cranes, dump trucks and more!
- ◆ Engage with leading infrastructure companies and education providers to discuss opportunities in the sector

If you are interested in this event, please contact Chuni Bhikha at bac@whs.school.nz or drop into S502.

For more details, visit our website: www.girlsininfrastructure.org.nz.

If you have any questions, please contact us at events@infrastructure.org.nz.

University Of Canterbury

Reminder that applications for this programme close on Friday 28 February 2025.

The Elaine P. Snowden Astronomy School is a programme for students who are Year 13 in 2025 interested in studying Astronomy or Physics at university.

The programme runs from 12 - 17 April and consists of a mix of seminars and practical work.

Ākonga | students travel to UC's Mt John Observatory at Takapō | Tekapo and explore our cosmic neighbourhood with modern astronomical instruments.

Back at the University of Canterbury, participants learn about the universe past, present and future, the life cycles of stars, planet exploration, extraterrestrial life and more.

A highlight of the programme is meeting fellow students with the same astronomical interests and making new friends. Thanks to a generous donation from a private sponsor, the Elaine P. Snowden Astronomy School is offered **free** to successful applicants. Accommodation, meals, transport during the camp and materials are provided. More info can be found online

Applications Open For Gateway Work Experience 2025

You can collect an Expression of Interest form from Student Services, or email Paula Willis at wsp@whs.school.nz. All applications will need to be signed by a parent or caregiver.

Gateway work experience is for one day a week for a term/10 weeks or over a school holiday period. Being on Gateway the student will achieve a minimum of 10 to 20 credits on a Health and Safety course and a Work Ready course or Industry-based unit standards.

Gateway is not a timetabled class and successful students will have to catch up on the school work they miss due to the work placement. Students can choose a day that works best for them and that least impacts their school timetable, students must have a high level of attendance at school.

Some areas our students have done their work experience in are:

Animal care

Aviation/Airport work

Baker

Beekeeping

Butcher

Cafe/barista

Chef

Childcare

Computer Repair

Corporate office work

Hairdressing

Horticulture (WCC)

Landscaping

Live sound, Event management or Photography (Zeal)

Physical fitness trainer

Predator control

Radio host

Retail

Trades: builder, electrician, plumber, mechanic, panel beating, metal fabrication & joinery

Youth Services (Youthline)

Gateway Opportunity

If you are interested in youth work, other social sectors or simply supporting people in your community, this is the perfect way to begin your journey! This programme runs outside of the classroom setting and is youth-focused, meaning we always aim to work in ways that suit young people in the programme.

The programme runs on Wednesdays in Terms 2 and 3 with the option to continue into Term 4 to complete a full level 3 certificate in youth work. We run two groups, one in Wellington Central, and one in Porirua, so you can choose what option you think will work best for you. Sessions run from 1 pm – 3 pm in Porirua and 4 pm – 6 pm in Wellington Central. You can earn 31 Level 3 credits in youth work in Terms 2 and 3 and additional 14 credits if you continue into Term 4 (45 credits total).

Gateway - IAG Insurance (3 Day Work Placement)

IAG is an international insurance company with a community focus. This 12-credit, Level 3 programme for Year 12 & 13 students is aimed at building independent and creative young minds where you will be exposed to different departments within the company and product and service knowledge. This experience provides a supported work placement opportunity to business-minded learners wanting a taste of the corporate world. For more information and to apply please see Paula Willis in COM 5 or email at: wsp@whs.school.nz
