Our Pasifika student's Year 13 Hokule'a Pasifika Leadership Day is coming up on Tuesday 2nd July 2024

We are excited to embark with Year 13 Pasifika students this year to ensure they know the University pathways available to them. We want to provide them with the tools to help with their transition from secondary school to university.

Our theme for term two Year 13 Programme is INSPIRATION. Inspiration will have lined-up sessions that include student experience, scholarships, and student support services. These sessions will help the students in their preparation for university studies.

Women in Trades has partnered with the Hutt City Chamber of Commerce to bring CareerFest 2024 to schools on **Tuesday, 30th July 2024**. The event will be interactive, to inform and inspire attendees about the benefits of working in the trades.

The event is for all students (Year 11+). There will also be a separate section for girls to explore these pathways in a safe and inclusive space with role models keen to share their journey into their respective career paths.
