### Gateway with Youthline Wellington 2025

Youthline Wellington is excited to inform you that applications for Youthline Wellington's Youth Development Programme (YDP) 2025 are now open!

**Applications are via the school Gateway contact Paula Willis, please email [wsp@whs.school.nz](mailto:wsp@whs.school.nz) to express your interest.**

### Programme info

YDP is a Gateway Programme for year 12 and 13 students in Youth Work. If you are interested in Youth Work, other social sectors or simply supporting people in your community, this is the perfect way to begin your journey! This programme runs outside of the classroom setting and is youth-focused, meaning we always aim to work in ways that suit young people in the programme.

The programme runs on Wednesdays in Terms 2 and 3 with the option to continue into Term 4 to complete a full Level 3 Certificate in Youth Work. We run two groups, one in Wellington Central, and one in Porirua, so you can choose what option you think will work best for you. Sessions run from 1 pm – 3 pm in Porirua and 4 pm – 6 pm in Wellington Central. You can earn 31 Level 3 credits in Youth Work in Terms 2 and 3 and an additional 14 credits if you continue into Term 4 (45 credits total).

Join us for our **NZMA National Open Day** and see what student life is like at NZMA, New Zealand Institute of Sport and The Culinary Collective!

On Wednesday, 23rd October 2024, we will open our doors for you and your students to participate in some awesome activities, get an inside peek at the campus, and talk to our friendly staff and tutors about our courses that will help them advance.

Find out more about what's happening and register your interest in attending.

## *High School Exchanges*

### What is a High School Exchange?

On a high school exchange, you live in another country for a chosen period, during which you attend a local high school and live with a host family.

You must be between **15 and 18 years old to be eligible for an exchange**. The time you will be away can be anything from four weeks to a year. You live your normal life like how you would here in New Zealand - you go to school, catch up with friends and help keep your room tidy (right?). Except in the case of student exchange you do all of this in another country - learning about a new culture and possibly even a new language, living with a new family and hanging out with new friends.
